Dear Madam:-

Your note of April 10th was received sometime ago, and I was very sorry to hear of the death of Mr. Cunningham. I have most pleasant recollections of meeting him some years ago.

In your note you state that he died December 30th, 1911, and in the newspaper clipping, that you enclosed, the date is given as December 30th, 1910. I would be very greatly obliged if you would advise me which is the right date so my records will be correct.

Very truly yours,

Secretary.
